The Great Reverend Professor Alabaster Jones
as "Duct Tape The Clown"

Introduction to the cure.

I am The Great Rev. Prof. Alabaster Jones and I have come to you with the highest authority in the Multiverse. I have come to give you the gift of the word of our Lord President Supreme as handed down to me not only through teachings here at the "Chapel of the Almighty Money Dollar" by our Supreme Brother Daniel Tague but, also by the Lord President Supreme Money Dollar himself...

As shown Brother Danhas revealed for us in his hidden message finding money folding art-form the messages our L.P.S. wants us to find on the holy American dollar. I have spoken to our lord and GOD Money Dollar on many occasions. through many forms of communication. I spoke to him at the top of the chapel in the middle of the night totally messed up on a bunch of whatever I found. He spoke to me in the bathtub at a friends house while trying to fit a shampoo bottle up my ass. And about

a month ago while having a night emission and he told me to come here on this day January 10th 2015 to bring you a message and offer you the L.P.S. Money Dollar's very own rattlesnake oil formula a highly classified weapon against all ailments.

I offer you "Dollar's cure all!"

it can be used to heal and eventually cure most ailments. It lists it's known %100 NON-REFUNDABLE USES. Now don't be discouraged I will give all at this presentation a chance to feel the undiluted effects of the true value of the concentrated formula and it's powerful effects on the skin. So you may know your purchase is a wise one and I am not your run of the mill con artist snake salesmen we hear about all to much these days Now this rattlesnake formula is never to be ingested, tested, or injected.

It is a top secret topical aid for as listed but not limited to: EBOLA ~ FILIBUSTERS ~ IMMIGRATION ~ STUDENT LOANS ~ SAME SEX MARRAGE ~ TERRORISM ~ GENTRIFICATION ~ WELFARE ~ HEALTHCARE ~ GUN CONTROL ~ AND MORE!

Now you may be thinking that some of those things are things you want more of. Well this is two

ways to eternity formula. The L.P.S. Does not care how you like it at all. Money Dollar wants you to have it your way and no one else's. If you want to sit around and do nothing at all M.D. Has got you. If you want to buy the world and burn it down or maybe you want to build it up... M.D. Is your god. Because, in the end we all go on out to the big banking system in the Multiverse.

So you heard me mention the two way formula and your probably saying "How does that work? Can I get Ebola if I want it or get rid of it if I have it? Can I wipe out my student loan debt or get a new student loan? Will this make me the proud gay man or woman I know I truly am or will it totally abolish all my desires to marry the one I love?"

And to you I say the answer is YES! All that need be done when applying this formula is you open your heart fully and say allowed what it is you want then while bended down on your knees hit your face with the palm of your hand while it is whetted with the ointment. After this ritual you must bath yourself for proper soul cleansing to occur The cosmic ingredients found in only one place on earth that cannot be disclosed ever in this ointment sense your troubles and immediately get to work helping to better your life in the direction it needs to go. Now you say what holy terrible price must I pay for this amazing cure?

And I say to you this is a concentrated fifteen hundred times bottle of the world's only know cure-all for welfare and it isn't even going to send you to the bank because this is the L.P.S.'s Reverend Professor Alabaster Jones and I want you to have it. well I'm going to pass a hat around now with a pencil and a piece of paper. You just write down whatever it is you feel is within your price range and your name and the Great Reverend Professor will get with you privately after the show. If you are a female I want you to write down your cellphone numbers there too for further consulting on the feminine revitalizing health benefits at a later date.

(Pass the hat around)

Now as a rule of my own thumb I never take less than 10-15 dollars per bottle as per it's expence to make is already higher and I never accept the very highest bids because I feel you may desire to try to undo the formula for your own monetary gain. To analyze this and remove any part of it may very well undo the fabric of the Multiverse. The L.P.S. Wants you to have your personal gain but does not want the whole thing to fall apart. The only disclosable ingredient I can say is 100% pure rattlesnake oil.

...

The Great Reverend Professor Alabaster Jones reads.

Now I am going to read to you a few of my favorite passages from the book of the Lord President Supreme Money Dollar:

Corporations chapter three verse 1-3:

but I brothers could not address you as greedy people but, as people of the flesh infants in money. I fed you with milk, not solid food for you were not ready for the greed and, you are not yet ready... for, you are still of the flesh. For while there is jealousy and strife among you, are you not of the flesh and behaving only in a human way?

What the L.P.S. Is saying here is To achieve true reward one must take it all and throw out one's body when done doing what you are doing. To stay and attempt any real life after your task is pointless unless another new task suits you. The L.P.S. Wants you to kill yourself and return to the multivariate right away. money dollar wants you to home for the holidays.

Join chapter 9 verse 8-11

the neighbors and those who had seen him before as a beggar were saying "Is this not the blind man who used to sit and beg?" Some said "It is he." others said "it is not." he said "I am the man!" so they said to him " then how were your eyes opened?" He said the Lord President Supreme Money Dollar made an ointment and gave it to me and said "slap thy self upon thy face with this

ointment upon thy hand and scream your desires on thy bended knees. Then, go and wash thyself." so I did and washed and received my sight.

This is the exact formula I have here that is mentioned in the book of Join.

*Luck chapter 8 verse 43 -48
and there was a woman who had a discharge of blood for twelve years and though she had spent all of her living on physicians, she could not be healed by anyone. She came up behind money and snuck a bit of ointment and slapped her self and the flow stopped. And Money Dollar said "who is it that has not paid but is slapping?" when all denied it, a Brother Supreme said "L.P.S. There are people slapping themselves around you all over the place all the time" but Money said " someone has taken from me for I feel power has gone out from me" and when the woman saw that she was not hidden, she came trembling, and falling down before Money declared in the presence of all the people why she had taken and how she had been immediately healed. And L.P.S. said to her "daughter your greed has made you well go in peace."*

Now as a Great Reverend Professor of the Chapel Of The Almighty Money Dollar who has spoke directly with the L.P.S. in his natural form which is a disembodied booming voice or through strange writings on shampoo bottles only G.R.P.s can hear or see I can tell you some of the things I have taken down from my own personal book of what I read on a shampoo bottle these are accurate to the letter

messages directly from the L.P.S.

Random block 23

Thank money we descended up from perfect Adam and eve to sinful sinner, brother's supreme, divided slaves. United, hardworking, trained, brave, from dust we ascend up to greed! Thank Money for that! Our brother supreme need not moral ABCs! Money to unite and divide all man with greed!

These messages came through in a mystical manner and were very hard to comprehend. It was well known in human form Money drank and drugged heavily and thus talked in mystical slurs and outbursts. Money said all this kept him connected to the Multiverse. Money also loved to frequent brothels where he sold his ointments for sex and money. A very spiritual god indeed.

Random block 12

Over population destroys Money's spaceship earth. Control and limit all birth. Who else but Money gave man his sensuous greed? love that can spark mere dust to life, and for when conquered after years of toil, sweat, blood. love can spark mere dust to intense blazing fire and create new love faith hope guts strength. As only Money can inspire!

INTRODUCTION TO THE SIDESHOW

This concludes the first part of our show tonight. We will be revisiting and speaking about the powerful effects of "Dollar's Cure All" and even heal of one of your many many many ailments. right after a lovely exhibition of strength, pain, music, fire and possibly some blood by some lovely members of the local sideshow community and myself. Well now that we have successfully burned and bled our sins away for you I would like to thank you for helping to get the performers a bit of that almighty money dollar. By placing your tips right there in the hat going around right now. Thank you Lil' Jessy for that.

Now I would like to bring up members of the audience to be healed right now before this congregation of sick and tired souls. I would like everyone to form a line right here for me and just come up to me to receive a dose of the undiluted strength of "Dollars Cure-All" as you receive your dose I would like you to go right over here and face the crowd and drop to your knees exclaiming your one personal desire for yourself. Then strike your face with your ointment-ed hand. After the show tonight you will need to go and wash yourself for the benefits to take effect. All hail the Lord President Supreme Money Dollar! That's right step right up and feel the awesome power of The slapening.

(The Slapening occurs)

Now ladies and gentlemen I have for you a one time offer of the greatest formula to ever be offered to the pittiful excuse of a creature know as man. A one

time use cure for everything. I'm not asking for a million dollars. Im not asking for a thousand dollars. Im not asking even for a hundred dollars. All im asking for is ten to fifteen dollars of your money so I can replenish my very limited stock. If you desire to pay more you may but I do have a limit of one bottle per customer. So be sure to get your bottle before I leave because you may never receive one again. I only provide these miricle sermons when the Lor President Supreme Money Dollar tells me to do so and that may never happen again so step right up and do not push. Also, feel free to ask anyone of our esteemed performers to sign your program for your own personal collection tonight. Who knows maybe they will be famous one day and you can cash in on a limited edition one of a kind original!

(buy bottles!!!)

Now earlier I passed around the hat to collect offers from the audience to see how much they would pay per bottle for this wonderful healing agent and if you would like to come forward and let us know your name we will allow you to only pay what you wrote on your piece of paper as long as it was over ten dollars. I would like to thank all the other performers and members of our great Illuminatist I mean holy chapel.

Thank you! Thank you? Thank you!
